

Role: Rockets Head Coach Under 14 Boys Team 2
Department: Performance
Hours: Part Time 8-12 per week
Remuneration: TBD

Role Description

City of Birmingham Rockets Basketball Club are one of the largest junior basketball clubs in the UK. Established in 2003, the club's programmes reflect the rich diversity of the city of Birmingham and our extensive pathways enable appropriate personal and player development for young people of all ages and experiences.

The club's Junior Performance Academy operate boys' and girls' youth teams at Under 14, 16 and 18 age groups that compete in Basketball England National League competitions at both Regional and Premier levels. We are now looking to appoint progressive and enthusiastic staff to fulfil Head Coach roles for the 2022/23 season to support in the implementation of a new strategic plan to elevate the Rockets playing programme.

These roles are ideal for those coaches wishing to be part of a learning environment and happy to work towards a whole club philosophy and playing style. Opportunities for coach development exist with our overseas partners and through our delivery of holiday camps including the Hakeem Olajuwon Summer Camp held annually and delivered by the club.

Main Duties

1. To take full responsibility for coaching sessions and games for the 2022/23 Season. Our Under 14 Group will have 2 team practice sessions per week and 1 skill development session in addition to between 16 and 22 game days.
2. To input into player selection from annual trials day and additional recruitment events.
3. To ensure that the club culture principles and on court playing styles, as devised by the club's Director of Coaching, are implemented, and followed effectively.
4. To closely follow the club's skill development technical recommendations for each age group.
5. To support the club in implementing the club culture and standard of values, ethics and playing criteria within the team.
6. To complete a season plan to share with the club's Director of Coaching/ Technical Director, reviewed and evaluated monthly.
7. To prepare all coaching sessions beforehand in line with season plan agreed with the Director of Coaching.
8. To complete Individual Player Profiles as an ongoing concern, during the season to be presented to the Director of Coaching/ Technical Director upon request.
9. To be committed to a Continuous Professional Development Programme to enhance coaching methods and benefit the players within the club.
10. To support the development of assistant coaches and support staff.
11. To provide feedback on the organisation and degree of success of coaching and competitions.
12. To lead in the selection of teams.
13. To travel to games with the team and coach each game with integrity, behaving as a positive role model for all club players.

14. To be supportive of other club coaches and teams whilst working for the betterment of every individual within the club.
15. To adhere to the club's discipline and grievance procedures.
16. To follow the club's guidance on all protocol including coach, player, and parent expectations.
